WORK EXPERIENCE

Freelance Concept Artist/Illustrator

Southampton - March 2011 to Present

Freelance Concept Artist/Illustrator: 6+ Years

My freelance career started in university and is currently ongoing. The vast majority of work consists of creating one-off illustrations to suit the clients' needs.

I also recently entered an art contest hosted by ILM and Artstation and got into the final which was just 5.7% of the total entrants to the contest.

I have worked for a variety of clients from authors to indie game developers, entrepreneurs, bands, web developers and more. Some of whom are listed below;

AnyTek Productions - Concept Artist

Kakumei Studios - Concept Artist

Publicis London - Concept Artist

Lapin Logic Ltd - Concept Artist/Illustrator

Madbeard Games - Concept Artist/ Illustrator

Territory Studio - Illustrator

Porto&Sons - Illustrator

Rite Publishing - Illustrator

Staal Media - Illustrator

underthefloorboards.com - Illustrator

Poseidon Publishing - Illustrator

ThreeOax - Illustrator

Bikini Bottom Mafia - Illustrator

AWARDS

ILM Art Department Finalist

September 2016

A star wars art competition hosted by Artstation and ILM.

ADDITIONAL INFORMATION

Skills

Software: Photoshop, 3d Coat, 3ds Max, Unreal Engine 4, Marmoset Toolbag, Keyshot,

Skill Set: time management, problem solving, communication, working to a brief, managing multiple projects/clients simultaneously,

Other Skills

Traditional Drawing

In my time away from the computer i still like to draw, either doodles & ideation sketches which I'll scan in and turn into a final image or life drawings of household objects. I attend life drawing classes as and when and like to practice gesture drawing too.
