SKILLS

EXPERIENCE

- **2017 (Oct - Nov)**
Locksmith Animation
Role: Runner
As a Runner at Locksmith, I was responsible for the typical Runner duties. I also got the chance to experience how the work is done in an animation studio and was also given some Previs Modelling tasks for their current project when I had the spare time.
- **2012 (Volunteer)**
MTA - Muslim Television Ahmadiyya International
Role: Graphics Designer
I voluntarily work as a Graphics Designer at a charity based international broadcast station where I have been responsible for creating Graphics Kits and operating Live CG on Vizrt on several occasions.

SOFTWARE

EDUCATION

- **2014 - 2017**
Ravensbourne - BA (Hons) Animation
This course introduced me to the 3D Animation and VFX Industry where I learnt about all the various roles throughout the pipeline in the first two years.
At the end of the second year of the degree, I chose to specialise in 3D Modelling and Texture Painting.
- **2012 - 2014**
RR6 Sixth Form Wimbledon - A Levels
Photography | Art & Design | Product Design
