EXPERIENCE

GAMMA MINUS MAR 2018 - PRESENT
FREELANCE 3D ARTIST: I Currently working at Gamma Minus as a 3D Artist working on Environments and Props.

DIGITAL SHOGUNS AUG 2017-DEC 2017
JUNIOR 3D ARTIST: I worked on various projects at Digital Shoguns such examples include Adverts, Animation shorts/ series and Print work. As the artist I worked in both organic and hardsurface models. I was also responsible for the texturing of the models. These models ranged in size from small simple assets to larger models such as buildings, cliffs and terrain.

TOAD LONDON MAR 2017-APRIL 2017
FREELANCE 3D GENERALIST: I worked at Toad as a freelance artist assisting in development process of an unannounced project. I was responsible for modelling, texturing, lighting and sound.
