## EDUCATION

2015 - Current	<b>Visual Art</b> NHTV Breda University of Applied Sciences, IGAD
2013-2014	<b>Swiss Matura</b> Technische Berufsmatura GIB Thun
2009 - 2013	<b>Industrial Micro Designer</b> Technische Fachschule Biel/Bienne

## SKILLS

## ABOUT ME

I'm a visual artist at the game academy IGAD in the Netherlands. My interests are in art, story telling, technical design, and history.

I started off my carrier as a draftsman due to the lack of any digital art academies in Switzerland.

After having received a certificate in engineering, I strove to join a game academy in a different country.
