Willing to relocate: Anywhere

Authorized to work in the U.S. for any employer

Objective

Digital artist with experience in high and low stress environments. Proven general experience volunteering for the Santa Ana Senior Center and St Joseph school in Santa Ana, California. Proven art experience working as a freelance artist for over one year. Graduated from California State University Fullerton with some basic knowledge in 2d traditional and digital Animation, and extensive knowledge in Illustration and Concept Art. Creative problem-solver, great attitude, innovative, efficient, digital and social media knowledge, proficient using Adobe Photoshop, basic knowledge in Autodesk Maya, Clip Studio Paint, and Adobe Illustration.

Work Experience

FREELANCE ILLUSTRATION & CONCEPT ART | MYSELF | SANTA ANA, CA | 2016-PRESENT

- 2D digital illustrator, character designer and concept artist. I am proficient in Adobe Photoshop in Mac and PC; I have some basic knowledge of Adobe Illustrator, Clip Studio Paint, and Autodesk Maya. I create roughs and thumbnails for clients depending on their needs and the project. I iterate ideas and concepts to find the looks of intellectual Properties (IPs). I explore color schemes that best suit the IP. I refine the chosen design and start drawing poses, turnarounds, expression sheet, etc. depending of the project. Finally, I take the already designed IP and illustrate a scene or action, I refine high details and render everything to completion. Most of the time these responsibilities overlap, and/or I don't do some of them at all depending of the project at the time.

SERVER | ATRIA SENIOR LIVING | IRVINE, CA | OCTOBER 2017-PRESENT

- I am a part time server in a senior community in Irvine, CA. My main responsibilities include, but are not limited to, taking orders from seniors and guests, delivering orders, provide solutions to their food and drink needs, cleaning and sterilizing the dining room, as well as the private dining room, keep the work-space clean and always ready to be used, making sure all food and beverages are up to date and not expired, labeling and keeping track of side-works and other job related activities in a worksheet provided by the manager.

VOLUNTEER | SANTA ANA SENIOR CENTER | JULY 2017-JULY 2017

- My time helping in the senior center was brief, but I helped to create and finish art projects, and supervised art related activities for the seniors.

VOLUNTEER | ST JOSEPH SCHOOL | JUNE 2015-SEPTEMBER 2015

- I did up to 5 hours of volunteer job on each Saturday serving food, helping on the kitchen, cleaning, unloading boxes with food, helping as an interpreter, etc.
