## EXPERIENCE

04  
2020

### FREELANCE

A passionate freelance motion designer and 3D artist with 17+ years of experience focused on animation, motion graphics, 3D world visualization. Currently living in Milan, Italy, I work remotely with a number of different agencies and studios. My work involves creating animations, styleframes, 3D images for different media platforms (tv, social, product viz, events).

2014  
2020

### JWT//WUNDERMAN THOMPSON

As a 3D & motion designer I've initiated the 3d division inside JWT, improving agency services adding key value to presentations through 3D visuals and delivering full 3D contents to clients.

2013

### FREELANCE

I've worked as a 3D artist and motion designer freelancing for a variety of clients delivering 3D rendering, video editing, motion graphics and web designs.

2003  
2012

### MRM//MCCANN WORLD GROUP

As a flash animator and web designer i've started my career in MRM creating designs for websites and flash banners.
