---

## Experience

2020 – PRESENT

### Concept Artist / Intrepid Studios

- Developed believable environments for multiple races within an MMO world
- Crafted many art boards that lead to inspiration and guidance for the team

2020 – 2020

### Freelance Concept Artist / Share Creators

- Collaborated on many different genres, ranging from dark fantasy, sci-fi and stealth shooters
- Created keyframes for video game cinematics

2020 – 2020

### Freelance Concept Artist / Nuit Blanche

- Concepted a number of environments for a mobile shooter game
- Accommodated the client's time zone difference with mine

2019 – 2020

### Concept Artist / Sony Visual Arts Service Group

- Designed environments, props, and keyframes for multiple games and cinematics
- Adapted to a variety of different genres, from sci-fi, stylized and post-apocalyptic

2017 – 2019

### Concept Artist / One Pixel Brush

- Created multiple photo-real environment concepts for "The Last of Us 2"
- Updated the look of many multiplayer maps for "The Last of Us 2"

2018– 2018

## **Freelance Concept Artist / Parallax Studios**

- Developed multiple keyframes for a featured animated film and live action film
- Conceptualized the environments and worlds of both films

2018– 2018

## **Freelance Concept Artist / Nuare Studios**

- Illustrated splash art for upcoming mobile games
- Painted background art that was used directly in production

2018– 2018

## **Freelance Concept Artist / Storm Crest Games**

- Illustrated multiple cards for the neutral card expansion pack for “Masters of Wills” card game
- Worked around limitations regarding card layouts.
