I have a background in visual effects and animation, with a particular enthusiasm for 3D rigging, and grooming. Currently I am undertaking a course from CG Master Academy: Introduction to Rigging, while also familiarizing myself with using the Yeti grooming plugin for Maya. I am looking for opportunities in an entry level position in rigging, 3d modelling and grooming.

SOFTWARE

- Autodesk Maya
- Substance Painter
- Toon Boom Harmony & Storyboard Pro
- Unreal Engine 4
- Maya XGen
- Adobe Suite: Photoshop, Illustrator, Premiere Pro, After Effects, InDesign, Audition

PROJECTS

2020

REAL TIME STRAND-BASED HAIR RENDERING IN UNREAL ENGINE 4, HONOURS EXEGESIS

Created several strand-based hair grooms using Maya XGen, rigged a character bust for animation and rendered the hair in both Autodesk Maya and Unreal Engine 4.26. Testing the viability of the Unreal Engine strand-based hair rendering system in real-time.

2019

IN THE DRINK, PRODUCTION MANAGER, ANIMATOR, EDITOR, COLOUR ARTIST

Student film. Managed a team of artists to complete a 4-minute film; created 2D animations, coloured cleaned shots and edited the final composition of the film.

2019

MECHROPAIR, 3D ASSET MODELLER

Student film. Created multiple 3D assets used in the background environment of the film

EDUCATION

2020 **GRIFFITH UNIVERSITY**, Bachelor of Animation (Honours)

2019 **GRIFFITH UNIVERSITY**, Bachelor of Animation (Technical Direction)

2016 **QUEENSLAND UNIVERSITY OF TECHNOLOGY**, Bachelor's degree Fine Arts (Interactive and Visual Design)

EXPERIENCE

NOVEMBER 2017 – AUGUST 2018

APPLECARE AT HOME ADVISOR, APPLE

Assisted in the resolution of a large variety of technical issues via phone communication for Apple iOS devices. These included: resolving hardware and software issues, account resets and creation, installation of software, running remote diagnostics and guiding customers through the process of setting up devices ready for use.

NOVEMBER 2010 – PRESENT

SERVICE ASSISTANT TEAM MEMBER, WOOLWORTHS

Customer service retail role involving attending to customer needs, assisting with the operation of the store, and training new staff.
