## EXPERIENCE

### 3D Artist, 3XR Inc.

Boston, MA | Sept 2019-Present  
Create high level 3D assets for upcoming 3D content creation and management platform using both custom modeling and photogrammetry techniques.

### 3D Visual Artist, Wayfair

Boston, MA | Jan 2018-June 2018  
Developed photo-realistic images in 3D using lighting, modeling, and texturing skills in 3DS Max. Assisted in fixing 3D models and other resources to help improve overall production.

### Teaching Assistant, Northeastern Animation Department

Boston, MA | Sept 2017-April 2018  
Assisted and mentored students with 3D modeling, texturing, rigging and animating in Maya using V-Ray.

### 3D Modeler + Designer, Chic Interiors

Boston, MA | Langhorne, PA | Jan 2017-Aug 2017  
Developed 3D photo-realistic interior design images and walkthroughs using lighting, modeling, and texturing skills in Maya to present mockup interior design layouts to clients.

### Designer + Photographer, Woof Magazine

Boston, MA | Jan 2014-Dec 2016  
Illustrated spreads and laid out designs for print articles for Northeastern's only lifestyle magazine.

### Designer, The Volunteer Centre

Dublin, Ireland | Sept 2014-Dec 2014  
Designed templates for volunteer recruiting materials and promotional website material. Updated center's website layout with new volunteer opportunities.
